CORE COMPETENCIES

- **24/7 Armed & Unarmed Guard and Patrol Operations:** Licensed personnel providing continuous security across the DC metro region: access control, foot and vehicle patrols, CCTV surveillance, fire and theft prevention/detection, traffic regulation, parking security, incident reporting, and emergency response for government, commercial, and critical infrastructure facilities.
- **Customized Security Programs & Risk Assessment:** Comprehensive vulnerability assessments, tailored security plans, post orders, and ongoing program reviews designed for evolving threat environments. Full compliance with site-specific regulatory, SCA/prevaling wage, and agency requirements.
- **Facility, Construction Site & Event Security:** Specialized protection of government buildings, courthouses, state agencies, construction sites, special events, and critical infrastructure through integrated threat detection, perimeter security, visitor management, and dedicated patrol operations.
- **Professional Personnel, Training & Quality Assurance:** Rigorous screening, background investigations, drug testing, and continuous professional development. All officers hold current state certifications with site-specific training in de-escalation, use of force, and customer service. Daily activity reports, incident documentation, and supervisor oversight ensure full contract deliverable compliance.

PAST PERFORMANCE

- **Active State Government Contract:** Subcontractor with Trust Consulting Services (TCS) on the Maryland statewide Armed/Unarmed MBE security contract (DGS Solicitation #001IT821290 / BPM028953), providing continuous security operations at the Social Security Administration, Baltimore, MD.
- **Maryland State & Local Government Facilities:** Armed and unarmed guard services for Department of Social Services offices (Howard, Harford, Baltimore, Carroll, and Baltimore City counties), county courthouses and judiciary buildings (Ellicott City, Maryland, Montgomery County), Department of Labor (Columbia), Banneker-Douglass Museum, MD Department of Housing & Community Development (Lanham), and Martin State Airport.
- **Prime Contractor Partnerships:** Proven subcontracting relationships with Trust Consulting, Whiting-Turner, Allied Universal, Stealth Monitoring, and Fast Guards—delivering customized guard services, event security, construction site security, and rapid-deployment staffing with consistently high client satisfaction ratings.
